

LUCIA®

The LUCIA Story

A Legacy of Excellence

"Since its launch in 2020, LUCIA has been committed to delivering premium-quality bathroom solutions that blend modern design with long-lasting performance."

With a strong focus on innovation, precision, and aesthetics, LUCIA products are designed to elevate everyday experiences into moments of comfort and luxury. From elegant faucets to complete bath fittings, every product reflects our dedication to superior craftsmanship.

Luxury lies in the details.

Bath Set Collection

If you think a bathroom is just for utility, think again; at Lucia, our bath sets are the craziest part of the whole collection, acting as the crown jewels of your home where engineering meets pure luxury. We offer **Total Power and Control** with a 100% brass construction that provides an indestructible, heavyduty build you can feel in every touch. This is the ultimate flex, featuring **Advanced Water Tech** like specialized foam filters that create a soft, aerated "foam" flow for a fivestar spa experience. We deliver **Seamless High-End Function** with premium internal discs and levers that move like silk, ensuring your ritual is as smooth as it is stylish. Whether you choose our **Bold Color Schemes**, Like the "Boss" vibe of Matte Black or the "Royal" luxury of Gold, You are getting the most essential statement piece in your interior. Don't just build a bathroom; upgrade to a masterpiece with Lucia's highpressure, brassengineered gear.
